MARRIAGE

1. When Moon is situated in the 3rd, 5th, 6th, 7th or the 11th house and is simultaneously aspected by sun, Mercury and Jupiter, then marriage will definitely take place soon, or If the kendras and trikonas have benefic planets, marriage takes place.

In this yoga, if the 7th house has benefic planets then the spouse will be beautiful and with malefic planets vice-versa.

- . Also stated in Prashna Gyan.
 - . Acharya Prithush, Bhattopal and Siddha Narayandas agree with this.
 - . Also stated in SHATPANCHASIKA.
 - . However, Ach. Rudhramani opines that if Moon is in 3rd, 6th or 7th house and above aspects are there, then marriage takes place soon.
 - . Ach. Daivagya Ramdayalu [in his book sanketnidhi] has said that if Moon placed in 3rd, 6th, 7th, 10th or 11th house in benefic planet rashi and aspected by Sun, Mercury and Jupiter then the querent gets his choice of spouse.
 - . If benefic planets are in the 1st, 4th, 5th, 7th, 9th and 11th houses of the prashna kundali, it results in early marriage.

 - . If there is aspect of malefic planets, then there is either delay or disruption in marriage.

 - . Also stated in Prashna Gyan.
 - . Parvatiya Acharyas [Bhattopal] have not included 2nd house in this yoga.
 - . Other Ach. Agree with the former i.e inclusion of 2nd house as it is the kutumb sthan and important for marriage. [Also corroborated by shloka 8, Adhaya 23, Brihat Parashar Hora Shastra].
5. If Moon or Mercury is placed in the Lagna and is aspected by strong Venus, then it results in early marriage. If malefic planets aspects it , then there is no marriage.
 - . Here Moon and Mercury should be in good condition, i.e it should not be a waning Moon or Mercury conjunct with malefic.
6. If both Lagna and Moon are in char rashi and are aspected by Venus and along with the above the kendras have malefic planets, then the person gets a good wife.
 - . Some other Acharyas have opined that if Lagna is in char rashi and Moon is placed in it,7th house has Venus, 4th and 10th houses have malefic planets, then the person gets a lucky and beautiful wife.

ARISTAS

7. If the Prashna chart has Moon placed in the 6th or 8th house, that person dies few years after marriage.

[Refer to Jatak Parijat 8-75]
8. If the Lagna of the Prashna chart has kroor planets [Sat, Mars, Rahu] and there malefic planets in the 7th house, then the person dies early.

9. If the Moon is placed in the Lagna and Mars in the 7th house, the person dies soon after marriage.
 - . However, Ach. Rudramani says that along with the above, if Sun is placed in the 8th house, then only early death takes place.
